ITEM DESCRIPTION

Welcoming into the Apache Pro Series Range, MOOSE JAW. The boot incorporates a fully waterproof and breathable membrane, lightweight XTS 'Xtra Traction System' phylon/rubber outsole and our core comfort insole. Our priority is your all day comfort, and this new range is completely designed around this fact. In addition to these points, the boot is manufactured with an aluminium toe cap and composite midsole protection to ensure the product is lightweight. The lining in the footwear is manufactured using recycled polyester content. Looking for 24 hour comfort? Look no further.
