## ITEM DESCRIPTION

Introducing the Ashcroft Hybrid Jacket from Apache. The main fabric is tough nylon ripstop, built to handle daily wear and tear, while stretch side panels and arms offer unbeatable comfort and freedom of movement on the job. The three-panel foldaway hood comes with adjustable toggles, ensuring a perfect fit no matter the weather.

For practicality, the jacket includes two zipped hand pockets and a zipped chest pocket on the right side, leaving the left chest area open for your own branding. Fully branded with Apache's quality guarantee, the Ashcroft is a reliable, everyday jacket for hardworking professionals.
