

**PRODUCT NAME****WABANA****KEY FEATURES**

- Apache Core Comfort Insock
- Scuff Cap
- GTS Grip Traction Outsole
- Non-Metallic
- Wide Fit

**ITEM DESCRIPTION**

Introducing the WABANA which is part of the Apache Pro Series range. The Wabana is a stylish, good looking dealer boot, with all the qualities you require for work. Our main focus is comfort. The boot is fitted with our Apache insock, allowing core comfort you have never felt before. The elasticated sides allow for ease of access into the boot. Wabana is manufactured onto our GTS 'Grip Traction System' phylon/rubber outsole which passes the highest slip resistance. With a composite toe cap and a composite midsole, it is fully non-metallic and lightweight. We have also included a scuff cap for added durability and ankle protection. Welcome to your new work staple!
