

PRODUCT NAME

BANCROFT

KEY FEATURES

- 4 Way Stretch
- Stretch Gusset & Yoke
- Cordura knee pad pockets & hems
- Slim Fit

ITEM DESCRIPTION

The Apache Bancroft Trousers are built for tradesmen who need flexibility without losing toughness. With 360° stretch and flex panels through the knees, gusset and rear yoke, it moves with you whether you're kneeling, climbing or grafting all day. Designed with a modern slimmer fit, it features shaped holster pockets and twin Velcro tool holders to keep your gear close. Cordura-reinforced hems and pockets add extra durability where it matters most, while the YKK zip ensures long-lasting reliability. A proper work trowsers, engineered to handle whatever the job throws at you.
