- Water-Resistant
- Steel Toe Cap & Midsole Protection
- Durable Dual Density PU Outsole
- Anti-Static

**ITEM DESCRIPTION**

The Apache AP300 is a traditional, lightweight safety boot designed to suit a wide range of industries. Constructed from durable black action leather with a water-resistant finish, it offers reliable day-to-day protection. A padded collar and tongue add extra comfort, while the steel toe cap and steel midsole provide dependable safety against workplace hazards. Finished with a dual-density polyurethane outsole, the AP300 is a versatile choice for all-round industrial use.
